Cadherin-13 Antibody [Alexa Fluor® 532]

Unit Size Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 532 Purity Peptide affinity purified Buffer 50mM Sodium Borate Product Description Host Rabbit Gene ID 1012 Gene Symbol CDH13 Species Human, Mouse Reactivity Notes 0 Specificity/Sensitivity At least two isoforms of Cadherin-13 are known to exist. Immunogen Antibody was raised against a 15 amino acid synthetic peptide from near the amino terminus of human T-cadherin. The immunogen is located within amino acids 150 - 200 of T-cadherin. Amino Acid Squence: DSDRPERSKFRLTGK Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product onveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product and components in the purchased product and components of the product on its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or	Product Information
