Opsin 1 (Medium Wave) Antibody [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------|
| Host                    | Chicken                                                                           |
| Gene ID                 | 2652                                                                              |
| Gene Symbol             | OPN1MW                                                                            |
| Species                 | Mouse, Rat                                                                        |
| Reactivity Notes        | 0                                                                                 |
| Specificity/Sensitivity | Opsin, red and green. The antibody reacts with a protein of ~40 kDa.              |
| Immunogen               | Synthetic peptides from mouse green opsin and zebra finch red opsin.              |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA                                                    |
| Recommended Dilutions       | Western Blot, ELISA                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
