| Clonality                   | Monoclonal                                                                                                           |
| Clone                       | 1G6                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                   |
| Isotype                     | IgG1 Kappa                                                                                                           |
| Conjugate                   | DyLight 594                                                                                                          |
| Purity                      | Protein A purified                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                   |
| Product Description         |                                                                                                                      |
| Host                        | Mouse                                                                                                                |
| Gene ID                     | 256646                                                                                                               |
| Gene Symbol                 | NUTM1                                                                                                                |
| Species                     | Human, Mouse                                                                                                         |
| Immunogen                   | Partial recombinant protein made to an internal portion of human NUT (between amino acids 400-700) [UniProt Q86Y26]. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                    |
| Product Application Details |                                                                                                                      |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin           |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                               |
