## GAPDH-2 Antibody - BSA Free

### NBP2-31925

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Reactivity Notes            | Reactivity reported in scientific literature (PMID: 24598113)                                                                                                                                                                                      |
| Immunogen                   | This GAPDH-2 antibody was developed against a recombinant protein corresponding to amino acids:<br>KYDSTHGRYKGSVEFRNGQLVVDNHEISVYQCKEKPQIPWRAVGSPYVVEST<br>GVYLSIQAASDHISAGAQRVVIS                                                                 |
| Product Application Details |                                                                                                                                                                                                                                                    |
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                                                                                       |
| Recommended Dilutions       | Immunohistochemistry 1:200 - 1:500, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:200 - 1:500                                                                                                              |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.<br>Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100.                                                                                                   |

## Images

Immunocytochemistry/Immunofluorescence: GAPDH-2 Antibody [NBP2-31925] - Staining of human cell line U-2 OS shows localization to nucleoplasm.

Immunohistochemistry-Paraffin: GAPDH-2 Antibody [NBP2-31925] - Staining in human testis and kidney tissues using anti-GAPDHS antibody. Corresponding GAPDHS RNA-seq data are presented for the same tissues.

Immunohistochemistry-Paraffin: GAPDH-2 Antibody [NBP2-31925] - Staining of human kidney shows low expression as expected.

Immunohistochemistry-Paraffin: GAPDH-2 Antibody [NBP2-31925] - Staining of human testis shows high expression.
