CD98 Antibody (1C11.7E3) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1C11.7E3                                                                                    |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | PE                                                                                          |
| Purity              | Protein G purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                              |
|---------------------|------------------------------------------------------------------------------|
| Host                | Mouse                                                                        |
| Gene ID             | 6520                                                                         |
| Gene Symbol         | SLC3A2                                                                       |
| Species             | Human                                                                        |
| Immunogen           | Partial recominant human CD98 (between amino acids 200-400) [UniProt P08195] |

| Product Application Details |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Flow (Cell Surface), Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin, Flow (Cell Surface) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
