**NBP2-38784****Serpin I1/Neuroserpin Antibody - BSA Free**

| <b>Product Information</b> |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                                           |
| <b>Concentration</b>       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>           | Polyclonal                                                                                                       |
| <b>Preservative</b>        | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>             | IgG                                                                                                              |
| <b>Purity</b>              | Immunogen affinity purified                                                                                      |
| <b>Buffer</b>              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| <b>Product Description</b> |                                                                                                                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit Serpin I1/Neuroserpin Antibody - BSA Free (NBP2-38784) is a polyclonal antibody validated for use in IHC. All Novus Biologicals antibodies are covered by our 100% guarantee.                                                   |
| <b>Host</b>                | Rabbit                                                                                                                                                                                                                                                   |
| <b>Gene ID</b>             | 5274                                                                                                                                                                                                                                                     |
| <b>Gene Symbol</b>         | SERPINI1                                                                                                                                                                                                                                                 |
| <b>Species</b>             | Human                                                                                                                                                                                                                                                    |
| <b>Reactivity Notes</b>    | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (85%), Rat (87%)                                                                                                                                          |
| <b>Immunogen</b>           | This antibody was developed against a recombinant protein corresponding to amino acids:<br>TGEDENILFSPLSIALAMGMELGAQGSTQKEIRHSMGYDSLKNGEEFSFLKEF<br>SNMVTAKESQYVMKIANSLFVQNGFHVNEEFLQMMKKYFNAAVNHVDFSQNV<br>AVANYINKWVENNTNNLVKDLVSPRDFDAATYLALINAVYFKGN |

| <b>Product Application Details</b> |                                                                               |
|------------------------------------|-------------------------------------------------------------------------------|
| <b>Applications</b>                | Immunohistochemistry-Paraffin, Immunohistochemistry                           |
| <b>Recommended Dilutions</b>       | Immunohistochemistry 1:50 - 1:200, Immunohistochemistry-Paraffin 1:50 - 1:200 |
| <b>Application Notes</b>           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                         |

## Images

Immunohistochemistry-Paraffin: Serpin I1/Neuroserpin Antibody [NBP2-38784] - Staining of human duodenum shows low expression as expected.

Immunohistochemistry: Serpin I1/Neuroserpin Antibody [NBP2-38784] - Staining of human cerebral cortex shows strong cytoplasmic positivity in neuronal cells.

Immunohistochemistry-Paraffin: Serpin I1/Neuroserpin Antibody [NBP2-38784] - Staining in human cerebral cortex and duodenum tissues using anti-SERPINI1 antibody. Corresponding SERPINI1 RNA-seq data are presented for the same tissues.
