| Clonality                   | Polyclonal                                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                                        |
| Conjugate                   | DyLight 405                                                                                                                                                                                                |
| Purity                      | Peptide affinity purified                                                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                                     |
| Gene ID                     | 57606                                                                                                                                                                                                      |
| Gene Symbol                 | SLAIN2                                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                                      |
| Reactivity Notes            | 0                                                                                                                                                                                                          |
| Specificity/Sensitivity     | SLAIN2 antibody is predicted not to cross-react with SLAIN1.                                                                                                                                               |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide near the amino terminus of human SLAIN2. The immunogen is located within amino acids 70 - 120 of SLAIN2. Amino Acid Sequence: PRRTSSEELRDATS |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                            |
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                 |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                     |
