**NBP2-41331H****Seasonal H1N1 Neuraminidase Antibody (10C5F12) [HRP]**

| <b>Product Information</b>         |                                                                                                           |
|------------------------------------|-----------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                    |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                  |
| <b>Clonality</b>                   | Monoclonal                                                                                                |
| <b>Clone</b>                       | 10C5F12                                                                                                   |
| <b>Preservative</b>                | No Preservative                                                                                           |
| <b>Isotype</b>                     | IgG2b                                                                                                     |
| <b>Conjugate</b>                   | HRP                                                                                                       |
| <b>Purity</b>                      | Protein A purified                                                                                        |
| <b>Buffer</b>                      | PBS                                                                                                       |
| <b>Product Description</b>         |                                                                                                           |
| <b>Host</b>                        | Mouse                                                                                                     |
| <b>Species</b>                     | Influenza A Virus H1N1, Virus                                                                             |
| <b>Reactivity Notes</b>            | 0                                                                                                         |
| <b>Immunogen</b>                   | Antibody was raised against a synthetic peptide from the seasonal influenza (H1N1) neuraminidase protein. |
| <b>Product Application Details</b> |                                                                                                           |
| <b>Applications</b>                | ELISA                                                                                                     |
| <b>Recommended Dilutions</b>       | ELISA                                                                                                     |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                    |
