# NBP2-42620V

Aldolase A Antibody (3F9) [DyLight 405]

| Aldolase A Antibody (3F9) [DyLight 403] |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 100 ul  |
| Concentration                           | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | 3F9   |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | IgG2a Kappa   |
| Conjugate                               | DyLight 405   |
| Purity                                  | Protein A purified  |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Description                             | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Host                                    | Mouse   |
| Gene ID                                 | 226   |
| Gene Symbol                             | ALDOA   |
| Species                                 | Human, Mouse  |
| Reactivity Notes                        | Use in Mouse reported in scientific literature (PMID:32681081).   |
| Immunogen                               | Recombinant human Aldolase A (1-364aa) purified from E. coli  |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details             |   |
| Applications                            | Western Blot, ELISA, Flow Cytometry, Immunocytochemistry/<br>Immunofluorescence   |
| Recommended Dilutions                   | Western Blot, Flow Cytometry, ELISA, Immunocytochemistry/<br>Immunofluorescence   |
| Application Notes                       | Optimal dilution of this antibody should be experimentally determined.  |
| 4                                       |   |
