| Clonality                   | Polyclonal                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                             |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                          |
| Gene ID                     | 84376                                                                                                                                                                           |
| Gene Symbol                 | HOOK3                                                                                                                                                                           |
| Species                     | Human, Mouse                                                                                                                                                                    |
| Immunogen                   | The epitope recognized by this antibody maps to a region between residue 425 to 475 of human Protein Hook homolog 3 using the numbering given in entry Q86VS8.2 (GeneID 84376). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                           |
| Product Application Details |                                                                                                                                                                                 |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                               |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                          |
