# NBP2-46609H

Complement C3 Antibody (F1-8) [HRP]

| Complement C3 Antibody (F1-8) [HRP] |  |
|-------------------------------------|--|
| Product Information                 |  |
| Unit Size                           | 0.1 ml   |
| Concentration                       | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                             | Store at 4C in the dark.   |
| Clonality                           | Monoclonal   |
| Clone                               | F1-8   |
| Preservative                        | No Preservative  |
| Isotype                             | IgG1 Kappa   |
| Conjugate                           | HRP  |
| Purity                              | Protein A or G purified  |
| Buffer                              | PBS  |
| Target Molecular Weight             | 187 kDa  |
| Product Description                 |  |
| Host                                | Mouse  |
| Gene ID                             | 718  |
| Gene Symbol                         | C3   |
| Species                             | Human  |
| Specificity/Sensitivity             | Antibody is specific for human complement component 3 (C3/C3b/C3c).  |
| Immunogen                           | This Complement C3 Antibody (F1-8) was developed against Complement component 3 (C3) purified from human plasma. |
| Product Application Details         |  |
| Applications                        | ELISA, Immunoprecipitation, Immunoaffinity Purification  |
| Recommended Dilutions               | ELISA, Immunoprecipitation, Immunoaffinity Purification  |
|                                     |  |

| Product Application Details |  |
|-----------------------------|--|
| Applications                | ELISA, Immunoprecipitation, Immunoaffinity Purification                |
| Recommended Dilutions       | ELISA, Immunoprecipitation, Immunoaffinity Purification                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
