## LZTFL1 Antibody - BSA Free

### NBP2-47387

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP2-47387**

LZTFL1 Antibody - BSA Free

**Product Information**

|                      |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                                               |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Immunogen affinity purified                                                                                      |
| <b>Buffer</b>        | PBS (pH 7.2) and 40% Glycerol                                                                                    |

**Product Description**

|                         |                                                                                                                                                                                                        |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Novus Biologicals Rabbit LZTFL1 Antibody - BSA Free (NBP2-47387) is a polyclonal antibody validated for use in IHC, WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>             | Rabbit                                                                                                                                                                                                 |
| <b>Gene ID</b>          | 54585                                                                                                                                                                                                  |
| <b>Gene Symbol</b>      | LZTFL1                                                                                                                                                                                                 |
| <b>Species</b>          | Human                                                                                                                                                                                                  |
| <b>Reactivity Notes</b> | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (88%), Rat (87%)                                                                                        |
| <b>Immunogen</b>        | This antibody was developed against a recombinant protein corresponding to amino acids:<br>NTAYTNVLLLRQLFAQAEKWYLLKLQTDISELENRELLEQVAEFKAEITSSNKKP<br>ILDVTKPKLAPLNEGGAELLN                            |

**Product Application Details**

|                              |                                                                                                                                                                        |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                              |
| <b>Recommended Dilutions</b> | Western Blot 0.04-0.4 ug/ml, Immunohistochemistry 1:2500 - 1:5000, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:2500 - 1:5000 |
| <b>Application Notes</b>     | For IHC-Paraffin, HIER pH 6 retrieval is recommended.<br>Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100.                       |

## Images

Western Blot: LZTFL1 Antibody [NBP2-47387] - Lane 1: Marker [kDa] 250, 130, 95, 72, 55, 36, 28, 17, 10. Lane 2: Human cell line RT-4. Lane 3: Human cell line U-251MG.

Immunocytochemistry/Immunofluorescence: LZTFL1 Antibody [NBP2-47387] - Immunofluorescent staining of human cell line U-2 OS shows localization to cytosol.

Immunohistochemistry-Paraffin: LZTFL1 Antibody [NBP2-47387] - Staining of human lymph node.

Immunohistochemistry-Paraffin: LZTFL1 Antibody [NBP2-47387] - Staining of human skeletal muscle shows low expression as expected.

Immunohistochemistry-Paraffin: LZTFL1 Antibody [NBP2-47387] - Staining of human testis shows high expression.

Immunohistochemistry-Paraffin: LZTFL1 Antibody [NBP2-47387] - Staining in human testis and skeletal muscle tissues using anti-LZTFL1 antibody. Corresponding LZTFL1 RNA-seq data are presented for the same tissues.

Immunohistochemistry-Paraffin: LZTFL1 Antibody [NBP2-47387] - Staining of human liver, lymph node, skeletal muscle and testis using Anti-LZTFL1 antibody NBP2-47387 (A) shows similar protein distribution across tissues to independent antibody NBP2-30690 (B).

Immunohistochemistry-Paraffin: LZTFL1 Antibody [NBP2-47387] - Staining of human liver.
