**NBP2-50385PE**

ELOVL3 Antibody (V61 P2B3\*D10) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | V61 P2B3*D10                                                                                |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | PE                                                                                          |
| Purity              | Protein G purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | The clone number is listed as V61 P2B3*D10 in the scientific literature.                                                                                                              |
| Host                | Mouse                                                                                                                                                                                 |
| Gene ID             | 83401                                                                                                                                                                                 |
| Gene Symbol         | ELOVL3                                                                                                                                                                                |
| Species             | Human                                                                                                                                                                                 |
| Immunogen           | Ovalbumin-conjugated synthetic peptide - QPYNFELSK                                                                                                                                    |
| Notes               | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry                              |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
