IgM Antibody (V53P3H2\*B2) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | V53P3H2*B2                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description             | The clone number is listed as V53P3H2*B2 in the scientific literature.                                                                                                                |
| Host                    | Mouse                                                                                                                                                                                 |
| Gene ID                 | 3507                                                                                                                                                                                  |
| Gene Symbol             | IGHM                                                                                                                                                                                  |
| Species                 | Fish                                                                                                                                                                                  |
| Reactivity Notes        | Stickleback                                                                                                                                                                           |
| Specificity/Sensitivity | This clone is specific for three-spined stickleback immunoglobulin M (IgM).                                                                                                           |
| Immunogen               | Ovalbumin-conjugated synthetic peptide                                                                                                                                                |
| Notes                   | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |       |
|-----------------------------|-------|
| Applications                | ELISA |
| Recommended Dilutions       | ELISA |
