**NBP2-52674PCP**

Complement Component C3aR Antibody (3G7) [PerCP] - Chimeric

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 3G7                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG Kappa                                                                                   |
| Conjugate                   | PerCP                                                                                       |
| Purity                      | Protein A purified                                                                          |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Rabbit                                                                                      |
| Gene ID                     | 719                                                                                         |
| Gene Symbol                 | C3AR1                                                                                       |
| Species                     | Human                                                                                       |
| Reactivity Notes            | Human                                                                                       |
| Specificity/Sensitivity     | Binds specifically to the 2e loop of the human C3a receptor, residues 185-193.              |
| Immunogen                   | The 2e loop of the C3a receptor.                                                            |
| Product Application Details |                                                                                             |
| Applications                | ELISA, Flow Cytometry, CyTOF-ready, Immunofluorescence                                      |
| Recommended Dilutions       | Flow Cytometry, ELISA, Immunofluorescence, CyTOF-ready                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
