CD1a Antibody (C1A/1506R) [Janelia Fluor® 525]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | C1A/1506R                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG                                                                                         |
| Conjugate                   | Janelia Fluor 525                                                                           |
| Purity                      | Protein A purified                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Rabbit                                                                                      |
| Gene ID                     | 909                                                                                         |
| Gene Symbol                 | CD1A                                                                                        |
| Species                     | Human                                                                                       |
| Marker                      | Mature Langerhans Cells Marker                                                              |
| Immunogen                   | Recombinant full-length human CD1a protein (Uniprot: P06126)                                |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| Product Application Details |                                                                                             |
| Applications                | Immunohistochemistry-Paraffin, Immunohistochemistry, Protein Array, CyTOF-ready             |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array, CyTOF-ready             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
