SLC38A1 Antibody (S104-32) [DyLight 755]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 100 ul                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | S104-32                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | DyLight 755                                                                                 |
| Purity                      | Protein G purified                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 81539                                                                                       |
| Gene Symbol                 | SLC38A1                                                                                     |
| Species                     | Human, Mouse, Rat                                                                           |
| Specificity/Sensitivity     | Detects 50kDa.                                                                              |
| Immunogen                   | Fusion protein amino acids 1- 63 of rat SNAT1                                               |
| Product Application Details |                                                                                             |
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                               |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
