LSM5 Antibody (25F8) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 25F8                                                                                        |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG2a Kappa                                                                                 |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description |                                                       |
|---------------------|-------------------------------------------------------|
| Host                | Mouse                                                 |
| Gene ID             | 23658                                                 |
| Gene Symbol         | LSM5                                                  |
| Species             | Human                                                 |
| Reactivity Notes    | 0                                                     |
| Immunogen           | Recombinant human LSM5 (1-91aa) purified from E. coli |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence            |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
