## NBP2-59407DL594

**Application Notes** 

Park7/DJ-1 Antibody (1E12) [DyLight 594]

| Park//DJ-1 Antibody (1E12) [DyLight 594] |   |
|--|---|
| Product Information                      |   |
| Unit Size                                | 0.1 ml  |
| Concentration                            | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                                  | Store at 4C in the dark.  |
| Clonality                                | Monoclonal  |
| Clone                                    | 1E12  |
| Preservative                             | 0.05% Sodium Azide  |
| Isotype                                  | IgG2b Kappa   |
| Conjugate                                | DyLight 594   |
| Purity                                   | Protein A purified  |
| Buffer                                   | 50mM Sodium Borate  |
| Product Description                      |   |
| Host                                     | Mouse   |
| Gene ID                                  | 11315   |
| Gene Symbol                              | PARK7   |
| Species                                  | Human   |
| Reactivity Notes                         | 0   |
| Immunogen                                | Recombinant human Park7/DJ-1 (1-189aa) purified from E. coli                                |
| Notes                                    | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details              |   |
| Applications                             | Western Blot, ELISA, Flow Cytometry,<br>Immunocytochemistry/Immunofluorescence              |
| Recommended Dilutions                    | Western Blot, Flow Cytometry, ELISA,<br>Immunocytochemistry/Immunofluorescence              |

Optimal dilution of this antibody should be experimentally determined.
