**Application Notes** 

Granzyme B Antibody [Janelia Fluor® 549]

| Granzyme B Antibody [Janelia Fluor® 549] |  |
|--|--|
| Product Information                      |  |
| Unit Size                                | 0.1 ml   |
| Concentration                            | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                                  | Store at 4C in the dark.   |
| Clonality                                | Polyclonal   |
| Preservative                             | 0.05% Sodium Azide   |
| Isotype                                  | IgG  |
| Conjugate                                | Janelia Fluor 549  |
| Purity                                   | Immunogen affinity purified  |
| Buffer                                   | 50mM Sodium Borate   |
| Product Description                      |  |
| Host                                     | Rabbit   |
| Gene ID                                  | 3002   |
| Gene Symbol                              | GZMB   |
| Species                                  | Human  |
| Immunogen                                | Partial recombinant protein made to the human Granzyme B protein (amino acids 19-247) [UniProt P10144] |
| Notes                                    | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                  |
| Product Application Details              |  |
| Applications                             | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin                      |
| Recommended Dilutions                    | Western Blot, Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin                      |

Optimal dilution of this antibody should be experimentally determined.
