Cyclophilin 40 Antibody (1B8) [Janelia Fluor® 549]

| Cyclophilin 40 Antibody (1B8)      | [Janelia Fluor® 549]  |
|------------------------------------|---|
| Product Information                |   |
| Unit Size                          | 0.1 ml  |
| Concentration                      | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                            | Store at 4C in the dark.  |
| Clonality                          | Monoclonal  |
| Clone                              | 1B8   |
| Preservative                       | 0.05% Sodium Azide  |
| Isotype                            | IgG2b Kappa   |
| Conjugate                          | Janelia Fluor 549   |
| Purity                             | Protein A purified  |
| Buffer                             | 50mM Sodium Borate  |
| <b>Product Description</b>         |   |
| Host                               | Mouse   |
| Gene ID                            | 5481  |
| Gene Symbol                        | PPID  |
| Species                            | Human   |
| Reactivity Notes                   | 0   |
| Immunogen                          | Recombinant human Cyclophilin 40 (1-370aa) purified from E. coli                            |
| Notes                              | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| <b>Product Application Details</b> |   |
| Applications                       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                 |
| Recommended Dilutions              | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                 |
|                                    |   |

| • •                   |  |
|-----------------------|--|
| Applications          | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence            |
| Recommended Dilutions | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence            |
| Application Notes     | Optimal dilution of this antibody should be experimentally determined. |
|                       |  |
