| Conjugate                   | HRP                                                                                                                                                                                                                          |
| Purity                      | Multi-step                                                                                                                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                                                              |
| Host                        | Goat                                                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                                                        |
| Specificity/Sensitivity     | This antibody was pre-adsorbed against Mouse Serum Proteins.<br><br>No reaction was observed against Human IgG F(ab) or Mouse Serum Proteins. Specificity was confirmed by ELISA minimal cross reactivity against Mouse IgG. |
| Immunogen                   | Human IgG F(c) fragment                                                                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                              |
| Applications                | Western Blot, Dot Blot, ELISA, Immunohistochemistry                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Dot Blot                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                       |
