

# Product Datasheet

## SRP9 Antibody - BSA Free NBP2-61107

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP2-61107**

SRP9 Antibody - BSA Free

| Product Information |                                                                                        |
|---------------------|----------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                 |
| Concentration       | 1.0 mg/ml                                                                              |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality           | Polyclonal                                                                             |
| Preservative        | 0.09% Sodium Azide                                                                     |
| Isotype             | IgG                                                                                    |
| Purity              | Affinity purified                                                                      |
| Buffer              | Tris-citrate/phosphate buffer, pH 7 to 8                                               |

| Product Description |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                |
| Gene ID             | 6726                                                                                  |
| Gene Symbol         | SRP9                                                                                  |
| Species             | Human                                                                                 |
| Immunogen           | A region between residue 36 to 86 of human Signal recognition particle 9 kDa protein. |

| Product Application Details |                                                                         |
|-----------------------------|-------------------------------------------------------------------------|
| Applications                | Western Blot, Immunoprecipitation                                       |
| Recommended Dilutions       | Western Blot 1:500 - 1:2500, Immunoprecipitation 2 - 10 ug/ml of lysate |

**Images**

Western Blot: SRP9 Antibody [NBP2-61107] - Whole cell lysate (15 ug) from HeLa, 293T, and Jurkat cells prepared using lysis buffer at 0.1 ug/ml. Detection: Chemiluminescence with an exposure time of 3 minutes.

Immunoprecipitation: SRP9 Antibody [NBP2-61107] - Detection of human SRP9 by western blot of immunoprecipitates. Samples: Whole cell lysate (0.5 or 1.0 mg per IP reaction; 20% of IP loaded) from 293T cells prepared using NETN lysis buffer. Antibodies: Affinity purified rabbit anti-SRP9 antibody NBP2-61107 used for IP at 6 ug per reaction. SRP9 was also immunoprecipitated by another rabbit anti-SRP9 antibody. For blotting immunoprecipitated SRP9, NBP2-61107 was used at 1 ug/ml. Detection: Chemiluminescence with an exposure time of 3 minutes.
