Cytokeratin 5 Antibody [Biotin]

| Product Information         |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                |
| Storage                     | Store at 4C in the dark.                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                         |
| Isotype                     | IgG                                                                                                                        |
| Conjugate                   | Biotin                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                |
| Buffer                      | PBS                                                                                                                        |
| Product Description         |                                                                                                                            |
| Host                        | Rabbit                                                                                                                     |
| Gene ID                     | 3852                                                                                                                       |
| Gene Symbol                 | KRT5                                                                                                                       |
| Species                     | Human, Rat                                                                                                                 |
| Immunogen                   | Partial recombinant human Cytokeratin 5 protein (amino acids 19-78) [Uniprot: P13647]                                      |
| Product Application Details |                                                                                                                            |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                     |
