| Clone                       | UBN1-02                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                |
| Isotype                     | IgG1 Kappa                                                                                                                                                                                        |
| Conjugate                   | Biotin                                                                                                                                                                                            |
| Purity                      | Protein A purified                                                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                   |
| Host                        | Mouse                                                                                                                                                                                             |
| Gene ID                     | 29855                                                                                                                                                                                             |
| Gene Symbol                 | UBN1                                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                             |
| Specificity/Sensitivity     | The antibody SC-05 reacts with 80 kDa human secretory component glycoprotein (both free and bound in secretory IgA). Recognized glycoprotein is specific membrane marker of glandular carcinomas. |
| Immunogen                   | Recombinant protein corresponding to amino acids 1-190 of ubinuclein 1.                                                                                                                           |
| Product Application Details |                                                                                                                                                                                                   |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                 |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                            |
