NBP2-62794

Histone H2B, member S [p Ser14] Antibody (C.15200186) - BSA Free

Product Information

Unit Size	50 ug
Concentration	Please see the vial label for concentration. If unlisted please contact technical services.
Storage	Store at -20C. Avoid freeze-thaw cycles.
Clonality	Monoclonal
Clone	C.15200186
Preservative	0.05% Sodium Azide and 0.05% ProClin 300
Isotype	IgG1
Purity	Protein A purified
Buffer	PBS

Product Description

Description	Novus Biologicals Mouse Histone H2B, member S [p Ser14] Antibody (C.15200186) - BSA Free (NBP2-62794) is a monoclonal antibody validated for use in WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee.
Host	Mouse
Gene ID	54145
Gene Symbol	H2BFS
Species	Human
Immunogen	Histone H2B containing the phosphorylated Serine 14 (H2BS14p)

Product Application Details

Applications	Western Blot, Dot Blot, ELISA
Recommended Dilutions	Western Blot 1:200, ELISA 1:100, Dot Blot 1:2000

Images

Western Blot: Histone H2B, member S [p Ser14] Antibody (C.15200186) [NBP2-62794] - HeLa cells were treated with colcemid to block the cell cycle in metaphase and histone extracts of these cells were analysed using the antibody against H2BS14p.

Dot Blot: Histone H2B, member S [p Ser14] Antibody (C.15200186) [NBP2-62794] - To test the cross reactivity of the antibody against H2BS14p, an analysis was performed with peptides containing other histone phosphorylations and the unmodified H2BS14. One hundred to 0.2 pmol of the respective peptides were spotted on a membrane. This figure shows a high specificity of the antibody for the modification of interest.

ELISA: Histone H2B, member S [p Ser14] Antibody (C.15200186) [NBP2-62794] - To determine the titer of the antibody, analysis was performed using a serial dilution of the antibody against H2BS14p. The antigen used was a peptide containing the histone modification of interest. By plotting the absorbance against the antibody dilution, the titer of the antibody was estimated to be 1:2,000.

ELISA using the Diagenode antibody against H2BS14p
