**NBP2-70803PE**

Glucosylceramidase/GBA Antibody (OTI4G4) [PE]

| Product Information         |                                                                                                                     |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                         |
| Storage                     | Store at 4C in the dark.                                                                                            |
| Clonality                   | Monoclonal                                                                                                          |
| Clone                       | OTI4G4                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                  |
| Isotype                     | IgG2a                                                                                                               |
| Conjugate                   | PE                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                         |
| Buffer                      | PBS                                                                                                                 |
| Product Description         |                                                                                                                     |
| Host                        | Mouse                                                                                                               |
| Gene ID                     | 2629                                                                                                                |
| Gene Symbol                 | GBA1                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                   |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 40-315 of human GBA (NP_000148) produced in E.coli. |
| Product Application Details |                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                   |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                              |
