| Conjugate                               | DyLight 755                                                                                                       |
| Purity                                  | Immunogen affinity purified                                                                                       |
| Buffer                                  | 50mM Sodium Borate                                                                                                |
| Product Description                     |                                                                                                                   |
| Host                                    | Mouse                                                                                                             |
| Gene ID                                 | 3484                                                                                                              |
| Gene Symbol                             | IGFBP1                                                                                                            |
| Species                                 | Human                                                                                                             |
| Immunogen                               | Recombinant protein fragment corresponding to amino acids 26-259 of human IGFBP-1 (NP_000587) produced in E.coli. |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                 |
| Product Application Details             |                                                                                                                   |
| Applications                            | Immunohistochemistry, Immunohistochemistry-Paraffin                                                               |
| Recommended Dilutions                   | Immunohistochemistry, Immunohistochemistry-Paraffin                                                               |
| Ammlication Natao                       | Onting all dilution of this partie only about the course wine parties at the data was in a d                      |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry, Immunohistochemistry-Paraffin                    |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Paraffin                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
