Product Information

Dtk/TYRO3 Antibody (OTI2C4) [Alexa Fluor® 488]

under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. Full length recombinant protein of human Dtk/TYRO3 (NP_006284) produced in HEK293T cells. Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned or the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may include, but is not limited to use of the product or its components: (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for
