LIME Antibody (OTI5D3) [DyLight 488]

| Product Information         |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                    |
| Storage                     | Store at 4C in the dark.                                                                                       |
| Clonality                   | Monoclonal                                                                                                     |
| Clone                       | OTI5D3                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                             |
| Isotype                     | IgG1                                                                                                           |
| Conjugate                   | DyLight 488                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                             |
| Product Description         |                                                                                                                |
| Host                        | Mouse                                                                                                          |
| Gene ID                     | 54923                                                                                                          |
| Gene Symbol                 | LIME1                                                                                                          |
| Species                     | Human                                                                                                          |
| Immunogen                   | Recombinant protein fragment corresponding to amino acids 30-295 of human LIME (NP_060276) produced in E.coli. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                              |
| Product Application Details |                                                                                                                |
| Applications                | Western Blot, Immunohistochemistry                                                                             |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                         |
