# NBP2-72069F

Latexin Antibody (OTI1E10) [FITC]

| Latexin Antibody (OTTETO) [FITC] |   |
|----------------------------------|---|
| Product Information              |   |
| Unit Size                        | 0.1 ml  |
| Concentration                    | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                          | Store at 4C in the dark.  |
| Clonality                        | Monoclonal  |
| Clone                            | OTI1E10   |
| Preservative                     | 0.05% Sodium Azide  |
| Isotype                          | lgG1  |
| Conjugate                        | FITC  |
| Purity                           | Immunogen affinity purified   |
| Buffer                           | PBS   |
| Product Description              |   |
| Host                             | Mouse   |
| Gene ID                          | 56925   |
| Gene Symbol                      | LXN   |
| Species                          | Human, Mouse  |
| Reactivity Notes                 | Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Mouse-On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. |
| Immunogen                        | Full length recombinant protein of human Latexin (NP_064554) produced in HEK293T cells.   |
| Product Application Details      |   |
| Applications                     | Western Blot, Flow Cytometry, Immunohistochemistry  |
| Recommended Dilutions            | Western Blot, Flow Cytometry, Immunohistochemistry  |
| Application Notes                | Ontimal dilution of this antibody should be experimentally determined   |

| Product Application Details |  |
|-----------------------------|--|
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry                     |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
