FCRLB/FCRY Antibody (OTI5H6) [FITC]

| Product Information         |                                                                                                                          |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                              |
| Storage                     | Store at 4C in the dark.                                                                                                 |
| Clonality                   | Monoclonal                                                                                                               |
| Clone                       | OTI5H6                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG2b                                                                                                                    |
| Conjugate                   | FITC                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                              |
| Buffer                      | PBS                                                                                                                      |
| Product Description         |                                                                                                                          |
| Host                        | Mouse                                                                                                                    |
| Gene ID                     | 127943                                                                                                                   |
| Gene Symbol                 | FCRLB                                                                                                                    |
| Species                     | Human, Rat                                                                                                               |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 202-426 of human FCRLB(NP_001002901) produced in E.coli. |
| Product Application Details |                                                                                                                          |
| Applications                | Western Blot                                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
