# NBP2-72897R

NDP52 Antibody (OTI4H5) [DvLiaht 550]

| NDP52 Antibody (OT14H5) [DyLight 550] |   |
|---------------------------------------|---|
| Product Information                   |   |
| Unit Size                             | 0.1 ml  |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                               | Store at 4C in the dark.  |
| Clonality                             | Monoclonal  |
| Clone                                 | OTI4H5  |
| Preservative                          | 0.05% Sodium Azide  |
| Isotype                               | IgG1  |
| Conjugate                             | DyLight 550   |
| Purity                                | Immunogen affinity purified   |
| Buffer                                | 50mM Sodium Borate  |
| <b>Product Description</b>            |   |
| Host                                  | Mouse   |
| Gene ID                               | 10241   |
| Gene Symbol                           | CALCOCO2  |
| Species                               | Human, Monkey   |
| Immunogen                             | Full length recombinant protein of human NDP52 (NP_005822) produced in HEK293T cells.       |
| Notes                                 | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| <b>Product Application Details</b>    |   |
| Applications                          | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                                     |
| Recommended Dilutions                 | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                                     |
|                                       |   |

| Product Application Details |  |
|-----------------------------|--|
| Applications                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry/ Immunofluorescence                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
