Pancreatic Amylase Alpha Antibody (OTI1E3) [Alexa Fluor® 750]

Unit Size	riuor® /50]	Pancreatic Amylase Alpha Antibo	
Concentration Please see the vial label for concentration. If unlisted please conta services. Storage Store at 4C in the dark. Clonality Monoclonal Clone OTI1E3 Preservative 0.05% Sodium Azide Isotype IgG2b Conjugate Alexa Fluor 750 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 279 Gene Symbol AMY2A Species Human Immunogen Recombinant protein fragment corresponding to amino acids 135-Pancreatic Amylase Alpha (NP_000690) produced in E.coli. Notes Alexa Fluor (R) products are provided under an intellectual proper Life Technologies Corporation. The purchase of this product convolutyer the non-transferable right to use the purchase dynduct convolutyer the non-transferable right to use the purchase of venetation of the product only in research. In one sample the product or its components, or any material the product only in research. In one purchasing a license sorice, information, or data in return payment; (iii) for therapeutic, diagnostic or prophylactic purposes; resale, regardless of whether they are resold for use in research. In on purchasing a license to this product for use mesearch. In on purchasing a license to this product or proposes other than as above, contact Life Technologies Corporation, 5791 Van Allen Wa CA 92008 USA or outlicensing@lifetech.com. This conjugate is members.	Product Information		
Storage Store at 4C in the dark. Clonality Monoclonal Clone OT1E3 Preservative 0.05% Sodium Azide Isotype IgG2b Conjugate Alexa Fluor 750 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 279 Gene Symbol AMY2A Species Human Immunogen Recombinant protein fragment corresponding to amino acids 135-Pancreatic Amylase Alpha (NP_000690) produced in E.coli. Notes Alexa Fluor (R) products are provided under an intellectual proper Life Technologies Corporation. The purchase of this product convoluty in research conducted by the buyer (whether the academic or for-profit entity). The sale of this product is expressly the buyer not using the product or its components, or any material the product or its components, in any activity to generate revenue, include, but is not limited to use of the product or its components: manufacturing; (ii) to provide a service, information, or data in return payment; (iii) for therapeutic, diagnostic or prophylactic purposes; resale, regardless of whether they are resold for use in research. on purchasing a license to this product or purposes other than a above, contact Life Technologies Corporation, 5791 Van Allen Wa CA 92008 USA or outlicensing@lifetech.com. This conjugate is m demand. Actual recovery may vary from the stated volume of this		Unit Size	
Clone OTI1E3 Preservative 0.05% Sodium Azide Isotype IgG2b Conjugate Alexa Fluor 750 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 279 Gene Symbol AMY2A Species Human Immunogen Recombinant protein fragment corresponding to amino acids 135-Pancreatic Amylase Alpha (NP_000690) produced in E.coli. Notes Alexa Fluor (R) products are provided under an intellectual proper Life Technologies Corporation. The purchase of this product convolute the non-transferable right to use the purchased product and of the product only in research conducted by the buyer (whether it academic or for-profit entity).
