PDGFR alpha Antibody (OTI1C10) [Janelia Fluor® 669]

| <b>Product Information</b> |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                      |
| <b>Concentration</b>       | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>           | Monoclonal                                                                                  |
| <b>Clone</b>               | OTI1C10                                                                                     |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>             | IgG1                                                                                        |
| <b>Conjugate</b>           | Janelia Fluor 669                                                                           |
| <b>Purity</b>              | Immunogen affinity purified                                                                 |
| <b>Buffer</b>              | 50mM Sodium Borate                                                                          |

| <b>Product Description</b> |                                                                                                                         |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Mouse                                                                                                                   |
| <b>Gene ID</b>             | 5156                                                                                                                    |
| <b>Gene Symbol</b>         | PDGFRA                                                                                                                  |
| <b>Species</b>             | Human, Mouse, Rat                                                                                                       |
| <b>Immunogen</b>           | Human recombinant protein fragment corresponding to amino acids 789-1089 of human PDGFRA(NP_006197) produced in E.coli. |
| <b>Notes</b>               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                   |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot                                                           |
| <b>Recommended Dilutions</b>       | Western Blot                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
