Product Information

Protein Kinase A regulatory subunit I alpha Antibody (OTI6C7) [Alexa Fluor® 647]

Unit Size Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Monoclonal Clone OTI6C7 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 647 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5573 Gene Symbol PRKAR1A Species Human, Mouse, Rat Reactivity Notes Please note that this antibody is reactive to Mouse and derived from the same host, Mouse, Mouse-On-Mouse blocking reagent may be needed for IHC and ICC experiments to reduce high background signal. You can find these reagents under catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. Immunogen Full-length protein expressed in 293T cell transfected with human Protein Kinase A regulatory subunit a lalpha expression vector. Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transfeable right to use the purchased product and components of the product only in research conducted by the buyer (Whether the buyer is an academic or for-profit entity). The sale of this product is expressely conditioned on the buyer not using the product or its components, or any materials made using the product orily to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research, conducted by the buyer for use in research, conducted by the buyer than as described above, contact Life Technologies Corporation, 75-91 Van Allen Creation in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research on information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resa	1 Todact Illioilliation
