RFC2 Antibody (OTI2B2) [Alexa Fluor® 488]

| Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Monoclonal Clone OTI2B2 Preservative 0.05% Sodium Azide Isotype IgG1 Conjugate Alexa Fluor 488 Purity Immunogen affinity purified Buffer 50mM Sodium Borate Product Description Host Mouse Gene ID 5982 Gene Symbol RFC2 Species Human, Mouse, Rat Reactivity Notes Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Mouse-On-Mouse blocking reagent with the serve expensive sunder catalog numbers PK-2200-NB and MP-2400-NB. Please contact Technical Support if you have any questions. Immunogen Recombinant protein fragment corresponding to amino acids 1-234 of human RFC2 (NP-002905) produced in E.coli. Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (Whether the buyer is an academic or for-profit entity). The sale of this product and components of the product only in research conducted by the buyer (Whether the buyer is an academic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any m | Product Information         |   |
