RMND5A Antibody (OTI2C8) [DyLight 594]

| Product Information         |                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                     |
| Storage                     | Store at 4C in the dark.                                                                                        |
| Clonality                   | Monoclonal                                                                                                      |
| Clone                       | OTI2C8                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                              |
| Isotype                     | IgG1                                                                                                            |
| Conjugate                   | DyLight 594                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                              |
| Product Description         |                                                                                                                 |
| Host                        | Mouse                                                                                                           |
| Gene ID                     | 64795                                                                                                           |
| Gene Symbol                 | RMND5A                                                                                                          |
| Species                     | Human, Mouse, Rat                                                                                               |
| Immunogen                   | Recombinant protein fragment corresponding to amino acids 1-249 of human RMND5A (NP_073617) produced in E.coli. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                               |
| Product Application Details |                                                                                                                 |
| Applications                | Western Blot                                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                          |
