SHPRH Antibody (OTI5G8) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | OTI5G8                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                          |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                    |
| Gene ID             | 257218                                                                                                                                   |
| Gene Symbol         | SHPRH                                                                                                                                    |
| Species             | Human, Mouse, Rat                                                                                                                        |
| Immunogen           | Human recombinant protein fragment corresponding to amino acids 1-100 and 1500-1600 of human SHPRH (NP_775105) produced in HEK293T cell. |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
