TBCC Antibody (OTI1B2) [Janelia Fluor® 525]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | OTI1B2                                                                                      |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG2a                                                                                       |
| <b>Conjugate</b>     | Janelia Fluor 525                                                                           |
| <b>Purity</b>        | Immunogen affinity purified                                                                 |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                    |                                                                                          |
|--------------------|------------------------------------------------------------------------------------------|
| <b>Host</b>        | Mouse                                                                                    |
| <b>Gene ID</b>     | 6903                                                                                     |
| <b>Gene Symbol</b> | TBCC                                                                                     |
| <b>Species</b>     | Human, Mouse, Rat, Monkey                                                                |
| <b>Immunogen</b>   | Full length human recombinant protein of human TBCC(NP_003183) produced in HEK293T cell. |
| <b>Notes</b>       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.    |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot                                                           |
| <b>Recommended Dilutions</b> | Western Blot                                                           |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
