| Preservative                          | 0.05% Sodium Azide                                                                                                        |
| Isotype                               | IgG1                                                                                                                      |
| Conjugate                             | DyLight 488                                                                                                               |
| Purity                                | Immunogen affinity purified                                                                                               |
| Buffer                                | 50mM Sodium Borate                                                                                                        |
| Product Description                   |                                                                                                                           |
| Host                                  | Mouse                                                                                                                     |
| Gene ID                               | 23619                                                                                                                     |
| Gene Symbol                           | ZIM2                                                                                                                      |
| Species                               | Human                                                                                                                     |
| Immunogen                             | Recombinant protein fragment corresponding to amino acids 1-150 and 428-527 of human ZIM2 (NP_056178) produced in E.coli. |
| Notes                                 | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                         |
| Product Application Details           |                                                                                                                           |
| Applications                          | Western Blot, Immunohistochemistry                                                                                        |
| Recommended Dilutions                 | Western Blot, Immunohistochemistry                                                                                        |
| A 11 41 B1 4                          |                                                                                                                           |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| Applications                       | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions              | Western Blot, Immunohistochemistry                                     |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
