Tensin 1 Antibody [DyLight 405]

| Product Information         |                                                                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                  |
| Storage                     | Store at 4C in the dark.                                                                                                                     |
| Clonality                   | Polyclonal                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                           |
| Isotype                     | IgG                                                                                                                                          |
| Conjugate                   | DyLight 405                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                           |
| Product Description         |                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                       |
| Gene ID                     | 7145                                                                                                                                         |
| Gene Symbol                 | TNS1                                                                                                                                         |
| Species                     | Human                                                                                                                                        |
| Immunogen                   | Tensin 1 antibody made to partial recombinant protein made to the N-terminal portion of human Tensin 1 (amino acids 1-385) [UniProt Q9HBL0]. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                            |
| Product Application Details |                                                                                                                                              |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                   |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                       |
