Cadherin-16 Antibody (CDH16/2125) [DyLight 350]

| Product Information         |                                                                                                                         |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                             |
| Storage                     | Store at 4C in the dark.                                                                                                |
| Clonality                   | Monoclonal                                                                                                              |
| Clone                       | CDH16/2125                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                      |
| Isotype                     | IgG1 Kappa                                                                                                              |
| Conjugate                   | DyLight 350                                                                                                             |
| Purity                      | Protein A or G purified                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                      |
| Product Description         |                                                                                                                         |
| Host                        | Mouse                                                                                                                   |
| Gene ID                     | 1014                                                                                                                    |
| Gene Symbol                 | CDH16                                                                                                                   |
| Species                     | Human                                                                                                                   |
| Marker                      | Renal Cell Marker                                                                                                       |
| Immunogen                   | Recombinant fragment (around aa 371-507) of human Cadherin-16 protein (exact sequence is proprietary) (Uniprot: O75309) |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                       |
| Product Application Details |                                                                                                                         |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array                                 |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                  |
