**NBP2-79932R**

B7-H2/ICOSLG Antibody (ICOSL/3260) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | ICOSL/3260                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Kappa                                                                                 |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                         |
|---------------------|-------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                   |
| Gene ID             | 23308                                                                                                                   |
| Gene Symbol         | ICOSLG                                                                                                                  |
| Species             | Human                                                                                                                   |
| Immunogen           | Recombinant fragment of human B7-H2/ICOSLG protein (around aa 23-149) (exact sequence is proprietary) (Uniprot: O75144) |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                       |

| Product Application Details |                                                                           |
|-----------------------------|---------------------------------------------------------------------------|
| Applications                | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array |
| Recommended Dilutions       | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin, Protein Array |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.    |
