Notes Ale Life buy of t aca the the incl ma pay res on abo CA	ecognises the extracellular domain of the Insulin R/CD220. Amino acids 469 - 92 (exon 7 and 8) of Insulin R/CD220.	
Ale Life buy of t aca the the incl ma pay res on abo CA	nis antibody was raised by immunizing mice with IM-9 lymphocytes followed by urified insulin receptor.	
vol	exa Fluor (R) products are provided under an intellectual property license from fe Technologies Corporation. The purchase of this product conveys to the uyer the non-transferable right to use the purchased product and components the product only in research conducted by the buyer (whether the buyer is an cademic or for-profit entity). The sale of this product is expressly conditioned on the buyer not using the product or its components, or any materials made using the product or its components, in any activity to generate revenue, which may clude, but is not limited to use of the product or its components: (i) in anufacturing; (ii) to provide a service, information, or data in return for ayment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for sale, regardless of whether they are resold for use in research. For information in purchasing a license to this product for purposes other than as described bove, contact Life Technologies Corporation, 5791 Van Allen Way, Carlsbad, A 92008 USA or outlicensing@lifetech.com. This conjugate is made on emand. Actual recovery may vary from the stated volume of this product. The olume will be greater than or equal to the unit size stated on the datasheet.	

Product Application Details

Applications

Western Blot, ELISA, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry,

Immunoprecipitation

	Western Blot, Flow Cytometry, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunoprecipitation
Application Notes	Optimal dilution of this antibody should be experimentally determined.
