SNAP25 Antibody (SP12) [PE] - Chimeric

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | SP12                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG Kappa                                                                                   |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                 |
|-------------------------|-----------------------------------------------------------------|
| Host                    | Rabbit                                                          |
| Gene ID                 | 6616                                                            |
| Gene Symbol             | SNAP25                                                          |
| Species                 | Human, Mouse, Rat, Porcine, Bovine, Feline, Guinea Pig, Hamster |
| Specificity/Sensitivity | This antibody binds to native and denatured SNAP25.             |
| Immunogen               | SNAP25                                                          |

| Product Application Details |                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.             |
