CRISPR-Cas9 Antibody (6H4) [CoraFluor™ 1]

| Product Information         |                                                                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                   |
| Storage                     | Store at 4C in the dark. Do not freeze.                                                                                                                       |
| Clonality                   | Monoclonal                                                                                                                                                    |
| Clone                       | 6H4                                                                                                                                                           |
| Preservative                | No Preservative                                                                                                                                               |
| Conjugate                   | CoraFluor 1                                                                                                                                                   |
| Purity                      | Protein A or G purified                                                                                                                                       |
| Buffer                      | PBS                                                                                                                                                           |
| Product Description         |                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                         |
| Gene ID                     | 901176                                                                                                                                                        |
| Species                     | Bacteria                                                                                                                                                      |
| Immunogen                   | This CRISPR-Cas9 antibody (6H4) was raised against partial recombinant protein made to an N terminal portion of the Staphylococcus aureus CRISPR/Cas9 protein |
| Notes                       | CoraFluor (TM) is a trademark of Bio-Techne Corp. Sold for research purposes only under agreement from Massachusetts General Hospital. US patent 2022/0025254 |
| Product Application Details |                                                                                                                                                               |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation                                                                                    |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                        |
