| Clonality                   | Polyclonal                                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                                             |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                                               |
| Purity                      | Peptide affinity purified                                                                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                                                          |
| Gene ID                     | 80298                                                                                                                                                                                                           |
| Gene Symbol                 | MTERF2                                                                                                                                                                                                          |
| Species                     | Human, Mouse                                                                                                                                                                                                    |
| Specificity/Sensitivity     | MTERFD3 antibody is predicted to not cross-react with other MTERFD protein family members.                                                                                                                      |
| Immunogen                   | MTERFD3 antibody was raised against an 18 amino acid peptide near the amino terminus of human MTERFD3 . The immunogen is located within amino acids 20 - 70 of MTERFD3. Amino Acid Sequence: TYTTDKQSSKENTRTVEK |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                           |
| Product Application Details |                                                                                                                                                                                                                 |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                        |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                          |
