| Storage                     | Store at 4C in the dark.                                                                                                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                            |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                                              |
| Purity                      | Peptide affinity purified                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                                |
| Host                        | Rabbit                                                                                                                                                                                                         |
| Gene ID                     | 84206                                                                                                                                                                                                          |
| Gene Symbol                 | MEX3B                                                                                                                                                                                                          |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                              |
| Reactivity Notes            | 0                                                                                                                                                                                                              |
| Specificity/Sensitivity     | This antibody is specific for RKHD3 and will not recognize the other RKHD3 family of proteins.                                                                                                                 |
| Immunogen                   | RKHD3 antibody was raised against a 16 amino acid synthetic peptide from near the center of human RKHD3. The immunogen is located within amino acids 180 - 230 of RKHD3. Amino Acid Sequence: TYIVTPSRDKEPVFEV |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                                |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                         |
