ZNF336 Antibody [FITC]

| Product Information         |                                                                                                                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                                               |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                                       |
| Conjugate                   | FITC                                                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                                    |
| Gene ID                     | 64412                                                                                                                                                                                                                     |
| Gene Symbol                 | GZF1                                                                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                                                                     |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse: (89%), Rat: (89%)                                                                                                         |
| Specificity/Sensitivity     | ZNF336 antibody is human specific. At least four isoforms of ZNF336 are known to exist.                                                                                                                                   |
| Immunogen                   | ZNF336 antibody was raised against an 18 amino acid synthetic peptide near the carboxy terminus of human ZNF336. The immunogen is located within amino acids 600 - 650 of ZNF336. Amino Acid Sequence: GSPKNDDGHKTEQPDEEY |
| Product Application Details |                                                                                                                                                                                                                           |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                          |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                    |
